Very impressive Barbados Rum and very different from many rums. The Zinfandel influence is very prominent and adds some real intrigue. Thinking of whisky drinkers, if you like a good bourbon, then you'll find much to appreciate here. If you've got a nose for red wines too then this is an excellent little offering.

## GIN

		50ml
Citadelle Extremes Old Tom Gin, <i>France</i>	50%	-£14.00-

Citadelle Extremes Edition is a unique release from Maison Ferrand. The result of a blend of 96% ABV wheat distillate and an infusion of plants and fruits (including orange and lemon peel, iris, coriander, cardamom, violet roots, cumin, fennel, liquorice, cinnamon and more) in a 50% ABV neutral spirit. This version was redistilled in direct-fired small pot stills before being left to mature in 100-litre new oak barrels for 4 months. On an olfactory and gustatory level, this version overflows with vanilla-scented notes that emphasise its finely toasted, woody quality & is a bright yellow colour. The nose opens in a dazzling explosion of plants (juniper, mint), candied citrus fruit (orange, grapefruit) and very ripe fruit (pear, apple).

*Feel free to choose your gin to be served as a Martini of your choice or with one of our selection of Merchant's Heart as a spirit enhancer.*

## VODKA

		50ml
Konik's Tail, <i>Poland</i>	40%	-£11.00-

A small batch Polish vodka made with three different grains. It is complex and very well balanced. It is named after the Konik, which is a primitive Polish horse. Legend has it that just a glimpse of this mysterious beast is enough to ensure a good harvest for the grains used in vodka manufacture. A lot of character for a vodka with rich, creamy notes giving way to some citrusy and nutty aromas.

The Villa Lobos range spend at least 6 months resting in tanks before being aged in oak, a process that imparts a silky quality to the tequila. ## JAPANESE WHISKEY

		50ml
Nikka Pure Malt Black	43%	-£16.50-

In the pure malt series the Black is the best of both worlds offering both peat and fruitiness combined, offering excellent middle ground in the range. The whisky offers a fresh as well as a clean approach, with rich notes of peat and vanilla on the nose, before a sweetness of toffee on the palate, with a touch of coffee and light oak.

## IRISH WHISKY

		50ml
Redbreast Lustau Edition	43%	-£13.50-

The Lustau edition from Redbreast highlights the use of sherry casks on the Irish spirit. This was finished in first-fill Oloroso-sherry butts for a year, resulting in a creamy whisky with notes of liquorice, marzipan and dark fruits.

## AMERICAN WHISKEY

A rye spirit from the folks behind Wasmund's single malt. It's not allowed to be called whiskey in the EU as it's under 3 years old or in the USA as it's not been in a new charred American oak cask. Instead the rye heavy spirit has been matured in first and second fill bourbon casks along with new and used apple wood and oak chips to give a surprising amount of development in just 12 months.

## SCOTCH WHISKY

Compass Box Hedonism	43%	50ml -£17.50-
----------------------	-----	------------------

Hedonism by John Glaser's Compass Box is an oddity in the Scotch world. The Whisky is made & aged in Scotland, but it is actually a blend of grain. John selects casks once or twice a year that contain aged single grain whiskies of high quality & maturity.

Creamy with some hints of sweet spice, the whisky may have different profiles depending of the batch.
